MEMBERSHIP

The Guild is made up of metal arts enthusiasts from a wide range of backgrounds, who are creating a community through sharing news and events, ideas, resources, techniques and questions about the metal arts. Everyone is welcome to join: from the beginner to the master craftsman, teachers and students, production artists and hobbyists, metal art collectors and supporters. Each member serves a vital part in making the Guild work for our community. Members are welcome to attend any of the 6 annual board meetings held around the Bay Area. MAG memberships run the calendar year, from January 1st - December 31st, and are paid annually. Members receive special discounts with local metals organizations and vendors.

Our website helps members connect with one another. Members may post news events and inquiries, and have their own page, with a photo of their work, short CV, and links to their own personal websites. All MAG scheduled events are listed on the website, as well as links to resources and other metal guilds across the United States.

EXHIBITIONS and MAGrant

The Guild sponsors juried, invitational, and all-member exhibitions providing members with an opportunity to show work in national and local galleries, museums and art centers. Previous exhibition venues: Velvet da Vinci, Lireille Gallery, Arts & Crafts Cooperative, Inc, Oakland Museum Collectors Gallery, Craft and Cultural Arts Gallery, Richmond Art Center. The Annual MAGrant of \$500 is awarded to a member, with a focus on students and emerging artists.
